## **1. Aims and scope**

Educational visits are activities arranged by, or on behalf of, our academy, which require pupils to leave the academy premises, having been authorised to do so by the Principal or other designated member of staff.

Educational visits are a valuable way to supplement and enhance the curriculum, expand pupils' education and provide enriching social and cultural experiences, teach life skills and promote independent learning, provide a foundation for lifelong learning, and form an integral part of our approach to furthering our pupils' education and personal growth.

This policy sets out our approach to planning and operating educational visits, to ensure the health and safety of our pupils and staff, and to make sure that our visits are available to all pupils. It sets out the roles and responsibilities of staff, pupils and volunteers when it comes to visits.

This policy applies to activities taking place within and outside of normal academy hours, including weekends and holiday periods. This includes (but is not limited to):

- Visits to places of interest in the local area
- Day visits to places such as museums and other cultural and educational institutions
- Sporting activities
- Adventurous and recreational activities
- Residential trips organised by the academy
- Trips abroad organised by the academy

Following all trips, we will evaluate the trip and ensure good practice is shared with others for future trips.

## **2. Legislation and guidance**

This policy is based on the Department for Education's guidance on [health and safety on educational visits](#), and the following legislation and statutory guidance:

- [Equality Act 2010](#)
- [SEND Code of Practice](#)
- [Keeping Children Safe in Education 2024](#)

Sections of this policy are also based on the [statutory framework for the Early Years Foundation Stage](#).

## **3. Roles and responsibilities**

### **Principal**

The Principal is responsible for:

- Approving staff requests for educational visits, including having final authority to approve any educational visit of less than 24 hours
- Making sure staff, including the educational visits coordinator, have received any necessary training
- Working with the Local Authority EVA and Academy Council to approve residential trips of more than 24 hours
- Working with the Local Authority EVA and Academy Council to approve Overseas trips, including day trips

- Ensuring parental consent is obtained where necessary and that all parents receive communication about the trip

### **The educational visits co-ordinator (EVC)**

As an academy we ensure we have a minimum of two qualified EVC's. Our current trained staff are:

| <b>Staff member</b>  | <b>Date qualified</b>    | <b>Awarding Body</b> |
|----------------------|--------------------------|----------------------|
| <b>Stacey Wright</b> | <b>13th January 2025</b> | <b>Evolve</b>        |
| <b>Sonja Harris</b>  | <b>13th January 2025</b> | <b>Evolve</b>        |

Their role is to:

- Oversee and guide other staff to arrange and organise educational visits
- Assess the ability of other staff to lead visits and designate a suitable trip lead for each visit
- Assess outside activity providers ensuring they have appropriate safety standards and public liability insurance
- Check to see if an organisation holds the Learning Outside the Classroom (LOtC) award, <http://lotcqualitybadge.org.uk/search>
- Advise the Principal and Academy Council when they're approving trips
- Access the necessary training, advice and guidance from internal and external competent bodies
- Evaluate all visits once complete, from planning to the visit itself, and use this to improve future arrangements
- Complete trip risk assessments
- Conduct peer on peer review of all risk assessments

### **Evolve Educational Visits Advisor**

Their role is:

- Offer advice on all aspects of educational visits, from initial planning and risk assessment to specific needs and legal compliance.
- Develop and deliver training for EVCs and visit leaders to help them manage and approve educational visits effectively and safely.
- Assist organizations in creating robust risk assessments and managing safety without adding undue workload.
- Provide and manage for the academy to plan, get approval for, and manage visits, with alerts to ensure necessary actions are completed.
- Help the academy to develop internal policies and provide them with resources, such as generic risk assessments for common activities.

- Ensure legal and statutory compliance: Ensure that the advice and support provided are aligned with national guidance, legislation, and local authority requirements.

### **Trip lead**

Every educational visit will have 1 member of staff designated as the trip lead. The trip lead will:

- Have undertaken Visit leaders essential training or be an EVC
- Have received appropriate mentoring and guidance from more experienced colleagues
- Plan the proposed visit, considering the health and safety risks to pupils, staff and volunteers
- Assign staff and volunteer roles, as needed
- Make sure the academy has accurate and up-to-date information about the trip destination, to be used in risk assessments
- Make sure the needs of everyone taking part are considered, including co-ordinating any additional support needed
- Make sure parents and carers are given accurate information about educational visits, including any costs or necessary equipment not supplied by the academy or a third party
- Communicate key details about the visit and all locations to staff, pupils and parents/carers, including roles and responsibilities and expected behaviour
- Make sure staff are capable and able to fulfil their roles at all times while responsible for pupils and others

### **Staff**

Staff have a responsibility to make sure all pupils and staff who take part in visits are kept safe and understand the proper way to prepare for trips, as well as how to act while taking part. Staff will:

- Seek and obtain approval for all educational visits from the Principal
- Carry out any required risk assessments and work with the trip lead
- Communicate with parents and carers and make sure trips are inclusive of all pupils' needs
- Look out for the health and safety of themselves and those around them
- Help manage pupil behaviour and discipline as required while on the visit
- Share any concerns or worries with the trip lead and others, as appropriate
- Manage in line with our Child Protection and Safeguarding policies

### **Parents and carers**

By agreeing that pupils can take part in educational visits, parents/carers agree that they will:

- Provide all information required, such as emergency contact details and health/medicine information if applicable
- Sign and return consent forms and any other documentation required in a timely manner
- Share any concerns or information about the pupil that may affect or impact their ability to safely take part in the trip

## **Volunteers**

Normally volunteers are not required to attend trips. Where an academy has volunteers attending trips then they will be vetted in line with Keeping Children Safe in Education before being allowed to attend the trip. Volunteers attending academy trips, including parent volunteers, agree to:

- Follow the directions of staff and act accordingly
- Behave appropriately and model good behaviour for pupils
- Report any concerns to the trip lead or other staff present as soon as possible
- Make sure pupils under their supervision are acting safely and appropriately, and raise any issues with staff as soon as possible

## **Pupils**

Our academy behaviour policy also applies to all educational visits. This includes the expectation that pupils will:

- Follow instructions given to them while on the trip
- Dress and behave as expected for the length of the trip
- Take responsibility for their own safety and the safety of others, reporting any concerns to a staff member or trip supervisor

Pupils will always be reminded of our behaviour expectations before going off-site for a visit, and will be expected to uphold the academy's behaviour policy at all times. Full details of our behavior policy can be found on our website.

## **4. Planning and preparation**

The decision on whether or not a visit will take place will be made by the Principal, and based on factors including:

- Cost (including any potential cost to parents/carers)
- Timing in the academy year and any potential clashes
- Educational purpose and value
- Disruption to the normal running of the academy
- Health and safety considerations
- Staff-to-pupil ratio
- Inclusion and accessibility
- Any other factors deemed appropriate and relevant that have not been listed
- As part of the planning stage, information will be gathered by staff proposing the visit, including:
  - Location and travel distance
  - Mode of transport
  - Travel plans or options
  - Full cost breakdown, including multiple options where available

- Resources, including staffing, volunteers, and physical supplies
- Accommodation options, where needed
- Insurance detailed, where needed
- Risk assessment plans and first aid provision
- What safety measures can be put in place in order to reduce any risks
- Trips maybe subject to cancellation in the event of adverse weather or any other significant factor

See **appendix 1** for our trip information form for the planning and approval of a visit.

In cases where a trip involves activities for more than 24 hours, an overnight stay and/or travel overseas, the Principal will seek approval of the Academy Council Chair.

Once the risk assessment has been approved by the Principal, and the Academy Council Chair where relevant, staff will communicate with parents/carers and provide trip information.

Written parental consent will be required for trips that take place outside of normal academy hours, and for any trips requiring a higher-than-normal level of risk assessment.

We will evaluate each visit after its conclusion, from the planning through to the visit itself, to continually improve the planning and experience of our future visits.

### **Inclusion**

All pupils, regardless of background or abilities, should be able to take part in every aspect of our academy life, including visits.

### **SEND**

If a pupil with a disability or an education, health and care (EHC) plan, or any other specific needs (e.g. medical conditions including allergies) is participating in the visit, they will have the same support that is available to them during the academy day.

We will adjust the trip programme where necessary, working with parents/carers to provide additional support, making reasonable adjustments to itineraries, providing additional support staff, and other adjustments as appropriate.

Additional risk assessments may be carried out to ensure the safety of all staff and pupils.

### **Challenging behaviour**

In some cases, it may be reasonable and necessary to prevent a pupil with challenging behaviour from coming on a trip to protect their safety and the safety of the other pupils attending.

We will consider all reasonable options to help the pupil go on the trip safely, such as adapting the trip itinerary and increasing staffing numbers so the pupil can be supervised on a 1:1 basis. Before a final decision is made.

## **5. Risk assessment**

We will carry out a full risk assessment at least 2 weeks before the start of all trips.

This will be completed using the academy's risk assessment template, see **appendix 2**, completed by the EVC and reviewed by another EVC before being approved by the Principal. Existing risk assessments will be stored within the academy servers or those provided by the destination itself might also be used to support this process and scanned within the server.

The risk assessment will include how data will be safely managed and any specific medical issues and allergies (for staff and pupils), the role of additional support on the visit, specified activities to be carried out, as well as risks associated with transport to and from the destination.

Where practical, staff may make a preliminary visit to the trip destination as part of the planning and risk assessment process, but this is not mandatory.

Trip leads will raise any concerns or questions about potential risks and safety measures with the Principal and, where appropriate, third party vendors.

Every risk assessment will be approved by the Principal, and a copy taken on the visit and another copy left with the EVC.

### **Staff ratios and first aid**

Risk assessments for each visit will ascertain the safe level of supervision required. On all educational visits, we will make sure:

- At least 1 supervising adult able to administer first aid is present on all trips
- For EYFS settings, at least 1 qualified pediatric first aider is present on all trips
- Appropriate first aid equipment will be taken on all trips, in accordance with the academy's first aid and health and safety policies. These can be found on our website
- All supervising adults will be made aware of any medical issues or allergies at the start of the trip
- Adults without a DBS check will not be left alone with pupils at any time
- The trip lead will take regular headcounts and/or rollcalls

### **Transport**

Transportation for trips will be organised by the academy, in line with our safety procedures the EVC will ensure that where coaches are used that documentation regarding their risk assessment, servicing and insurances are received. Where public transport is used we will liaise with the necessary bodies. We will make sure pupils, staff and volunteers are transported safely and efficiently, with the required first aid provision.

Unless previously communicated at the planning stage with parents, transport for visits will leave from, and return to, the academy site.

### **Use of external organisations**

As part of the risk assessment process, we will check that any external organisations providing an activity have appropriate safety standards and liability insurance.

This includes checking that organisations hold the Learning Outside the Classroom (LOtC) Quality Badge. Where an organisation does not, we will check additional details as outlined in the DfE's guidance on [health and safety on educational visits](#) to make sure it's an appropriate organisation to use.

If an organisation does not hold the badge, the academy must ensure that they're an appropriate organisation to use. This could include checking:

- their insurance
- that they meet legal requirements
- their health and safety and emergency policies
- their risk assessments
- control measures
- their use of vehicles
- staff competence
- safeguarding
- accommodation
- any sub-contracting arrangements they have
- that they have a licence, where needed

The academy will have an agreement with the organisation that makes it clear what everyone is responsible for. This is especially important where they will be taking over supervision of the children.

## **6. Volunteers**

Where appropriate, parents and carers may be asked to volunteer to attend and supervise pupils alongside staff members on trips. Where more parents/carers volunteer than required on the visit, those invited to attend will be selected as fairly and transparently as possible, whilst taking into consideration:

- The needs of the pupils going on the trip
- The setting and circumstances of the trip
- Volunteers' skills, attitude and past behaviour, including previous volunteer experience

Parents/carers selected to volunteer will be informed at least 2 weeks ahead of the visit, and asked to confirm their attendance in writing. They will also be asked to confirm they agree with the expected behaviour. See **appendix 3** for our volunteer code of conduct for educational visits.

Volunteers will receive a full induction from staff members before and on the day of the visit, prior to departure, including on their responsibilities, expected behaviour, the process for raising concerns, emergency procedures and contact details, and the expected timetable of the trip.

Where practical and as required by the nature of visits (i.e. when volunteers may be left with children without staff members present), volunteers may be asked or required to undergo safeguarding checks, including DBS checks in line with Keeping Children Safe in Education.

At no point will volunteers on whom no safeguarding checks have been carried out be left alone with pupils or given sole responsibility for the care of a pupil.

## **7. Communication and consent**

We will endeavour to contact the parents and carers of pupils invited to take part in an educational visit at least 1 month before the proposed date of the trip. Communication will be via letter or email, and information provided will include the date, travel times, destination, purpose of the visit, and the size of the group attending.

We will also communicate:

- Times and details of travel, including drop-off and pick-up times and location
- Pupil-to-staff ratios and staff qualifications, where relevant
- Clothing and equipment required, and whether this is provided by the academy
- Expected behaviour and consequences of pupils' failure to meet these standards

Where required, parents/carers will be asked to provide written consent for educational visits by signing and dating a form to be returned to the academy.

Because most visits occur during the academy day, they will form part of the curriculum and we will not always need written consent. However, we will always inform parents/carers as above about any off-site visits, and give an opportunity for them to withdraw their child.

We will always obtain written consent before taking nursery-age children off-site.

Parents/carers will also be asked to provide current and relevant medical information and dietary requirements, as well as emergency contact numbers where they can be reached.

In the case of overseas trips, they will be asked to provide passport information and European Health Insurance Card or UK Global Health Insurance Card information, if available.

## **8. Emergency procedures and incident reporting**

Generally, emergency planning will be defined as planning for:

- Serious and unexpected risk
- Serious and life-threatening injury
- Individuals going missing
- A serious breach of safeguarding expectations

The trip leader will be familiar with these plans for each visit.

In the case of an emergency, the trip leader or other supervising adult will contact the Principal. They will arrange for staff to contact parents/carers as required, and inform them of changes to plans or cancellations of trips and/or alternative travel plans. This will form part of a wider communication plan that covers how routine communications should be handled in such situations.

1 member of staff will always accompany a pupil seeking medical treatment.

In a case of a pupil being unaccounted for, the trip leader will search the area, alert the venue and Police, while other members of staff remain in charge of other pupils. In the unlikely event that a pupil cannot be found within 30 minutes, the trip leader will contact the Principal who will notify Academy Council Chair, CEO and the parents/carers. The trip leader will continue to liaise with the police and provide them with the relevant information so they can take over or continue the search, staying with them to comfort the pupil when found. The remaining staff and adults will gather as directed and may return to the academy with the rest of the pupils.

All incidents and accidents will be reported in line with our health and safety policy, including required reporting to Ofsted and the Health and Safety Executive (HSE) with learning shared through RIDDOR requirements. .

Smaller incidents, accidents or near misses that do not require external reporting will still be covered by an internal report, to include steps that can be taken in the future to avoid similar incidents.

There will also be a clear process for evaluating all visits and trips once they have been concluded from the planning through to the visit itself. This will help with evaluating whether planning worked and to learn from any incidents that took place.

## **9. Charging and insurance**

We will follow our academy's charging and remissions policy at all times.

Where necessary, we may ask for a voluntary contribution to the costs of educational visits, but this will be entirely optional (except for residential visits) and will not affect pupils' ability to take part fully in the trip.

We will make sure adequate insurance is in place for all trips, including, but not limited to: cancellation insurance for contracts with external providers, travel insurance, accident and medical cover, and loss of luggage and other personal items. Our insurance is currently arranged by the Trust through the RPA.

We will ensure Professional Indemnity and Liability insurance is held by third party's supporting the trip and copies will be requested by the EVC or trip lead to support the risk assessment.

## **10. Residential visits**

The Principal, together with the Academy Council, will approve all residential trips.

The planning and preparation laid out in this policy will apply to residential visits as well as 1-day visits. In addition, the trip lead will make sure:

- Staff have received any necessary training
- All necessary permissions and medical forms are obtained at least 1 month before the start of the trip
- All adults, including volunteers, have had adequate safeguarding checks. Where appropriate – e.g. if the volunteer will be in direct unsupervised contact with pupils – this will include relevant DBS checks in line with Keeping Children Safe in Education

We will endeavour to provide Parents and carers with information about the visit and ask for permission at least 2 months before the first day of the visit. Information shared with parents will include:

- The dates and time of departure and return to academy
- The full address and contact details of the destination
- Planned activities and options

- Meal provision
- Costs and optional charges, including deposits and the date by which this must be received, in line with our charging and remissions policy (this will include information about exemptions)
- Clothing and equipment provided, and what pupils must bring themselves
- Public health requirements, including any required vaccinations
- Accommodation options and arrangements
- The names of staff attending
- This list is not intended to be exhaustive

For visits abroad, we will make sure that any organisation providing activities holds the LOTC Quality badge or similar local accreditation. We will follow the [Foreign and Commonwealth Office's overseas travel guidance](#) and [foreign travel advice](#) when organising these visits.

## **11. Review**

This policy will be reviewed annually by the Principal. At every review, the policy will be shared with the full Academy Council.

## **12. Links with other policies**

This policy links with the following policies and procedures:

- Health and safety policy
- Charging and remissions policy
- Behaviour policy
- Child protection policy & Safeguarding Policy
- First aid policy
- Supporting pupils with medical conditions policy
- Special educational needs (SEN) policy

## **Appendix 3: Volunteer behaviour and code of conduct**

This code of conduct sets out the expected behaviour for volunteers attending academy trips. Volunteers should read and sign this form, showing that they understand and agree to follow this code while acting on behalf of the academy. If you feel you cannot agree with this code, please speak to the trip organiser or Principal at the earliest opportunity and withdraw from the trip.

A copy of this form will be kept in the academy office, and you may ask for a photocopy to keep for yourself.

This volunteer code of conduct will be used alongside our existing policies which can be found on our website.

### **Volunteers agree to:**

- Remain professional and respectful with staff and pupils at all times
- Listen to and act on instructions from staff
- Dress appropriately for the trip (please seek advice from academy staff)
- Arrive at the agreed time and remain until the trip is concluded and they are told they may leave by staff
- Pay attention to potential dangers and raise concerns with staff
- Act responsibly and demonstrate good behaviour to pupils
- Report any concerns about the safety or wellbeing of a pupil to staff as soon as possible

### **Volunteers agree not to:**

- Exchange contact details with pupils unless told to by a member of staff
- Engage in physical contact with pupils unless appropriate or required
- Share inappropriate personal information (i.e. personal beliefs, religious views, relationship status)
- Use demeaning, offensive, abusive or insensitive language
- Smoke, drink alcohol, or use drugs (other than those required for medical reasons) or be under the influence of alcohol or drugs (other than those required for medical reasons) for the duration of the visit
- Allow themselves to be left alone with a pupil unless previously agreed with staff
- Take photographs or record pupils without the permission of pupils and staff

As a volunteer, I have read and agree to this code of conduct, and will follow the rules set out above.
