

Special Educational Needs and Disability (SEND)

NEWSLETTER

WHAT IS THE BFIS?

The Buckinghamshire Family Information Service (BFIS) provides information and advice on family matters, childcare and things to do locally.

They support parents, parents-to-be and children and young people from birth to 19 (up to 25 with SEND).

How the BFIS can support you

The Family Hub Team work within the six Wycombe Family Centres, they strive to offer early help to children, young people and families in the area, through universal sessions, courses, workshops and signposting.

You can also find

- Support with family issues
- Family centres
- Support for children with SEND
- Childcare and early years providers
